

Robert Hamilton Scholarship Application Form

ACET is comprised of computer educators at all levels: K-12, Community Colleges, Universities, workforce trainers and other computer specialists. We are an organization that promotes the free exchange of information between members to help make each of us more knowledgeable about the computer field to make us better educators.

ACET awards 5 Scholarships each year to new and first-year full-time instructors who teach computer courses. This scholarship covers their fee to the annual ACET conference. It does not cover membership fees of \$10.00 or pre-conference workshops.
